

How to set up Nord VPN for Netflix?

If you have chosen the service for watching Netflix, you should know the service is the most appropriate solution for the issue, as long as the process of installation, as well as for usage is as easy as A, B, C.

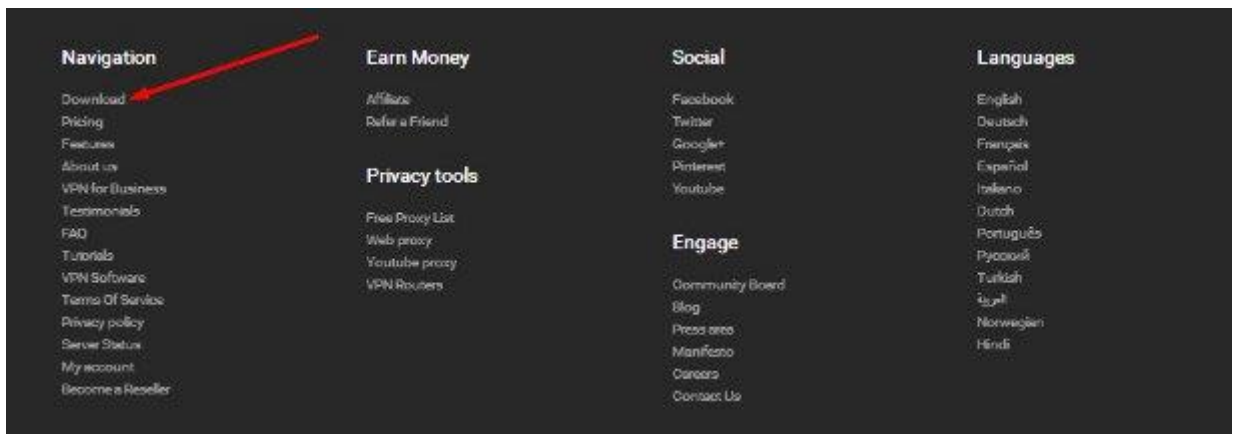

#1 The first step you need to make is to enter the official website and choose one of the three main packages:

#2 Then you need to fill in the subscription form here and choose the most suitable payment method:

The 'Create Secure Account' section includes fields for 'Email' (with the placeholder 'name@example.com') and 'Password' (with the requirement 'At least 8 symbols'). Below these fields is a privacy policy link. The 'Select Your Preferred Method of Payment' section is currently set to 'Credit Card'. It includes fields for 'First Name', 'Last Name', 'Card Number' (with a masked input '0000 0000 0000 0000'), 'Expiration Date' (with 'MM' and 'YYYY' dropdowns), 'CVV' (with a masked input '000'), and 'Postal Code'. To the right of the payment form is a 'Why Choose NordVPN?' section with a list of benefits: 'Access over 200 Servers Worldwide', 'No Logs Policy', 'Connect 6 Devices At The Same Time', 'Ultra-fast Servers For Video Streaming', 'Obtain Our VPN', and 'Double Encryption'. The 'Credit Card' section also features logos for VISA, Mastercard, and American Express.

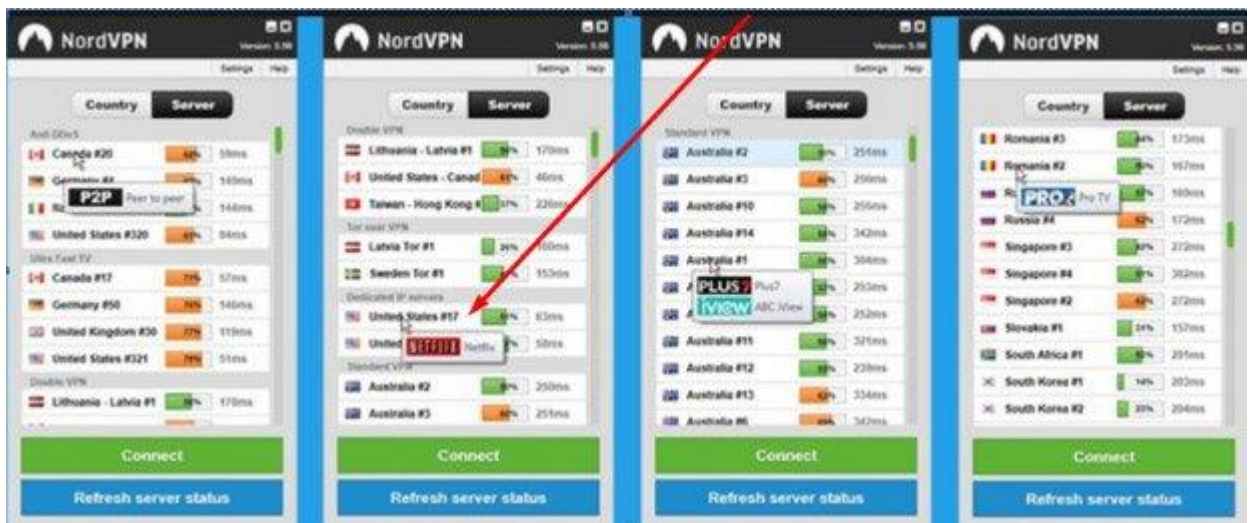

#3 After you have received an email with your account credentials, you need to download and install an app. In 'navigation' section, you need to choose 'download' link:

And you will be redirected to the page from where you will be able to download the app you need (make sure you have chosen a right OS version):

#4 Then you will have to see how to work with app and all the functions it offers:

The app is simple-to-run and has a plain interface.

With the use of Nord VPN for Netflix you can stay absolutely protected from any interference into your private life and online affairs.
